

EXPLORERS

October 2016

Dear Explorer and Parent / Guardian,

**New Year Trip.
December 27 2016 to January 1 2017**

This year we've taken over the Scout Mountaineering Centre at Yr-Hafod; in the heart of Snowdonia. Located at the base of Trifan close to the beautiful Llyn Ogwen, we'll be well suited to access mountains, towns and villages of North Wales.

On previous New Year trips, we've gone on day walks, been canoeing on lakes, climbed both inside and outside and even gone to a local pantomime; and this year we're planning even more adventurous activities as well as the usual cinema and cafe trips. We'll also have a New Years eve party - a great way to start the Units 50th year celebrations.

The trip is open to all Explorers and Network in current membership, but there's only 25 spaces - so you need to get your monies in to book your place. It's a full board adventure holiday for just £120!

A deposit of £30 will secure your place, with the final payment needed by 8th December. Please make cheques payable to Woodseats Scout Unit, with the members name on the reverse.

Kind regards,

Richard Garrett

District Explorer Scout Commissioner
